# *THANK YOU FOR YOUR SERVICE!*

# *The Excitement Builds at Country Coach!*
# *Reprint of Country Coach Corporation eBlast*
## *November 2014*

Hello from all of us at Country Coach Corporation to our friends across the country. We have had a flurry of activity so far this year, with all the pre-rallies and rallies, and all of you, our loyal customers and friends coming by for service and to visit. We are very excited about the prospects of finally getting motorhome production up and running. Our goal to begin manufacturing motorhomes again is becoming a reality. The first Country Coach motorhome on a Dynomax chassis is taking shape in our proto shop. By the time you read this the 500 HP ISX-12 engine and Allison MH4000 transmission will be sitting in a shiny new chassis. It will be Spring before I get a chance to drive the new Allure 45' four slide coach. I can hardly wait!

We have been hard at work improving and setting up the shop. Meanwhile Doug Beaudry and the tech crew have kept busy servicing coaches and doing all the things that make your coach operate the way you want it to. We have done some very extensive repair and rebuild jobs that could not have been completed without the molds and intellectual property that we own. We have furnished factory original parts and information through our phone techs to service shops around the country so they could repair your coaches at their locations for your convenience. We do this to honor my commitment to maintain the Country Coach Brand and keep it alive and healthy until we start production.

It is that time of year again when things slow down in our shop so I would like to invite you to bring your coach in for that special remodel or service work you have been putting off. This will help us maintain our valuable team through the winter. This is a good time to give your self a Christmas present.

We are offering you 10% off on parts as usual, and for work scheduled in our shop from December 1st, 2014 until February 28th 2015 we are offering an additional 10% off labor, that's a 20% savings!!!!

David Hyde in coach sales has had a busy year and has some beautiful pre-owned Country Coaches in inventory, so come by and check them out or go to our web site www.countrycoach.com and go to motor home inventory.

I would like to wish you all a happy beginning to the holiday season and safe travels.

# 2015 CCI Rally #2
# A Step Back in Time - Shipshewana, IN
## July 20 - 25 at Shipshewana Campground, Shipshewana, IN
## Pre-rally to the FMCA Rally, Madison, WI. July 29-Aug 1, 2015

### *A Step Back in Time is what you will find in Shipshewana, IN.*

Shipshewana, located in Northern Indiana, is defined by its Mennonite and Amish (the "plain people") communities and the small town character that make the town so attractive. Enjoy memorable theater performances, live music, and festivals; tour the back roads in a buggy or carriage; enjoy cafes, diners and restaurants - the 'home cooking' is hard to beat.

***Amish Country Crafts***. Shipshewana is a bustling Amish community with shop-lined streets, specialty retailers and home-style dining establishments that serve bountiful Amish fare. Shoppers search for handcrafted items, baked goods, antiques and more in picturesque turn-of-the-century storefronts and enjoy seeing horse-drawn Amish buggies clop through town. There is so much to experience along the Amish back roads. You won't want to miss the Amish home cooking, Hudson car museum, Flea Market, and Auction Barn. Every Tuesday and Wednesday from the first of May through the end of October, the Midwest's largest flea draws serious shoppers and the simply curious.

***RV/Motorhome Hall of Fame***. Not far from Shipshewana, IN is the RV/Motorhome Hall of Fame located in Elkhart, IN. Looking for some items to refurbish your coach? Some of the largest RV surplus and salvage businesses are located in this area.

***Shipshewana Campground - South Park.*** Offers all the modern amenities you need in the heart of Shipshewana.

***More specifics coming soon . . . registration starts in March. Visit the Shipshewana Campground website at [http://www.shipshewanacampground.com/](http://www.shipshewanacampground.com/)***

# Waterfalls, Wineries and Gorges - Watkins Glen, NY

## September 21 - 25, at Watkins Glen, NY, KOA Campground

***Waterfalls, Wineries and Gorges? . . . Sounds fun to me!*** Come join the fun in Watkins Glen and explore this beautiful area with your friends.

***Watkins Glen is a village located in the Finger Lakes Region of New York State.*** Watkins Glen is home to an amazing blend of natural beauty, high-octane excitement, and world-famous wines and spirits. The area boasts Watkins Glen International Raceway in rolling hills, the Watkins Glen State Park situated in the heart of downtown Watkins Glen (where a stream has cut a deep chasm through the rock cliffs, creating numerous waterfalls and scenic vistas, walk the Gorge Trail through this area), and world-class wineries located near by on the edges of the Finger Lakes.

***Race fans know the name "Watkins Glen," and their visits here are often multiple, for much is offered beyond motorsports.*** A slow sail across Seneca Lake, a soothing sip of a new wine, an adventurous hike through one of the breathtaking gorges, or a quiet night around a campfire are the counterbalances to the heart-pounding experiences of drivers and machines. Schuyler County residents and visitors who have slowed down – or revved up – both share something special in this scenic spot that is now home to a state-of-the-art international race track. From its waterfalls to its motorsports, Watkins Glen and Schuyler County offers something for everyone to enjoy right in the heart of New York's Finger Lakes Region.

***It is a rare find to have such an abundance of natural beauty and amazing attractions.*** From the pristine lakes, gorgeous waterfalls, and magnificent parks to the charming villages, one-of-a-kind museums, and unique shopping opportunities.

***More specifics coming soon . . . registration starts in May. Visit the KOA Campground website at***

# Your Board

## FROM your PRESIDENT

**by Lee Zaborowski**

CCI members often ask me and other Board members why they have to pay the FMCA membership fee to belong to CCI, or any FMCA related motorhome club. I recall wondering that myself when I first got into RVing. I can answer that with a number of points and examples.

As part of CCI's Chapter status, or any motorhome club in FMCA, the Club derives a number of benefits, some of which transfer directly to Club member benefits. Motorhome clubs such as CCI usually put on rallies. FMCA provides **injury liability insurance at rallies** to Club members. If you are accidently hurt at a Club sponsored rally, you will be covered by FMCA's policy, if you so choose to submit a claim. Often the member finds it easier to use their own insurance coverage, but the FMCA policy is there for those without insurance.

FMCA also has **FMCAssist**, an emergency evacuation/repatriation and emergency medical reunion benefit, an association-paid member benefit. No sign-up required. By joining FMCA you are covered. Some of these benefits are limited so you need to familiarize yourself with the coverage by reviewing the information on the FMCA website.

FMCA also has a **mail forwarding service** - Mail Forwarding powered by DakotaPost - offering an exclusive discount off of the company's regular mail forwarding rates, and also offers enhanced services.

You can also avail yourself of the **Michelin Advantage Program**. This program is intended to provide competitive prices on Michelin tires at all authorized commercial Michelin tire dealers that handle the Michelin Advantage Program.

Of interest might be the **FMCA Tour Connection**, which offers members the opportunity to embark on member-only RV caravans, rallies and sea cruises at discounted rates.

With **FMCA RV Insurance**, members can select from the industry's top RV underwriters and receive the nation's best rates.

There are other FMCA benefits for members, such as the **FMCA Magazine**, so check them out at **http://www.fmca.com/**

FMCA provides administrative assistance to help the Board run the Club; such as a variety of desirable annual reports, federal tax guidance, templates of Board position descriptions, and so forth. This short list gives you some idea of the resources available.

As you know FMCA typically puts on 2 International Rallies a year at opposite ends of the country as well as nine regional rallies. You can attend as many of these rallies as you wish. As with many other motorhome clubs CCI has often aligned with the International Rallies by putting on Pre-Rallies a week or so before an International Rally close by. Next year's CCI Hemet, CA, rally in March, 2015, is an example. If you like or don't think this is a good idea, let me know.

Thanksgiving, 2014 is just around the corner. You should be receiving this issue of the eNews around that time. I wanted to pause and thank you for your membership in and continued support of Country Coach International. Your Board has a number of initiatives on the drawing board. We think you'll be pleased with the new developments, rolling out in the next year. The Board also wants to thank all our Business Partners, Rally Volunteers, and Area Country Coach Club members/officers for all their kind help and contributions. We all should give thank you to our men and women in uniform for their service to our great country. CCI will continue to support them through our annual charity donations.

May the wind always be at your back,

*Lee*

## FROM the SECRETARY

**by Eric Arnold**

Hello all! I hope the recent "polar blast" didn't catch any of you off guard. I have heard many stories already about frozen pipes. It is way too early in the season for it to get this cold! Makes me appreciate how well insulated our coaches are. We have been very toasty so far.

During the recent Board Meeting we used for the first time a new teleconferencing service. "Join-Me.com." It is a huge improvement over our previous service and everyone comes in loud and clear which makes my job so much easier taking notes. There is even a video feature which we may utilize in the future. We all had a good laugh when at one point while Lee Zaborowski was talking it sounded like a buzzer had gone off signaling his time was up. Just a glitch?

Thanksgiving is here which means good food and great times with family and friends! I don't know what I like better, Thanksgiving, or the leftover turkey sandwiches the day after. It's a struggle to find out which is better but I will be up to the challenge once more. Bunny, Josh, Gage, and I wish everyone a very "HAPPY THANKSGIVING!"

Eric Arnold

## Country Coach Heartlanders

### Sea Rollin' into Sarasota w/your fellow Heartlanders

Joe Rossi is coordinating a Heartlander Rally within the FMCA Southeast Area Rally in Sarasota in February. This is a great idea that gives us a chance to get together and catch up without all the work of organizing a rally. A few extra steps are necessary to enable us to park together. Expect more information from Joe Rossi about special activities for our group.

**Important!** Register for an electric site. You must e-mail the Secretary after you register: cbrinkman@mac.com , so he can prepare a sign for the front window of your coach identifying you as part of our group and keep you up-to-date on our plans. When you show up on Feb. 11, park in the staging area at the entrance and look for our group. When we are all there, we will enter as a group so we will be parked together. A little extra trouble up front will make for a whole lot of fun later.

## NorthWest Country Coachers

**The following is a current work in progress**.

Our tentative approach is to schedule the rally date and locations and hopefully the host will volunteer. We have some host but would also like to see co-host so don't be afraid to throw your name in if any of the locations interest you.
