Dear Country Coach International Chapter:

On behalf of Family Motor Coach Association I would like to congratulate the members of the Country Coach International Chapter on your thirtieth anniversary.

Chapters are a very critical part of the Family Motor Coach Association. They are the foundation and the basis for our governance structure. However, a chapter's most important function is to provide an environment where fellow motorhome owners gather together in fun and fellowship to enhance their experience as an FMCA member.

Participating in a chapter enriches our membership and strengthens the bonds that develop among us. Keeping a chapter active over a period of time involves all the members working together for the good of the chapter, and we wish to recognize and pay tribute to the time and talent contributed by your members that has led to your success.

Please accept my sincere congratulations as you celebrate your thirtieth anniversary. We extend our best wishes for many more years of fun and camaraderie.

Best regards,

Charlie Adcock

Jane Jordan Resigns

August 5, 2014

Dear CCI Board of Directors,

The time has come for me to give my notice to leave CCI as the former Club Manager, current “marketing” person and all capacities in which I have had the pleasure to serve you. I will be terminating my agreement with CCI as of August 31, 2014. I have served CCI to the best of my abilities since 2007 and it is time for the Club to be completely self-sufficient, as an all-volunteer organization, which will allow CCI to better achieve the goal of financial stability.

Thinking about the last seven years, all the ups and downs and challenges we have faced together, it is very hard to put into words how much these experiences and friendships have greatly impacted my life. I have enjoyed working for the Board of Directors consistently since 2011, from my home office. My goals have been to assist the BOD and Club members in any requested capacity; to promote the Club, maintain the membership, historical, and financial records; to improve the stability of the Club and to help attain its sustainability with integrity and honesty. I feel I have achieved these goals and the Club is once again on a stable course with a bright future.

I am continually fascinated by the lifestyle and the life stories that have allowed you to be the owners of the “World’s Finest” motorcoaches and members of this “Class Act” Club! Using the experiences I have gained with CCI, I have been able to transition to another position for a local board of directors of a non-profit organization, working from home. This new position will also allow me the flexibility to develop my new enterprise, J-Crafts, which I am really excited about.

However difficult this decision has been for me to finally “pull the plug”, CCI will forever remain in my heart. I know CCI will continue to expand and thrive and I am happy to have been a part of the heart and success of CCI through all the past obstacles and challenges that have brought us to this point.

Please accept my resignation but kindly keep me close in mind, as I will you. There is a lot to wrap up in the next few weeks, so I know we’ll be in touch. Feel free to call me if you have any questions or especially if you’re in my area of the country. I’d love to hear from you now and again.

Blessings to you all,

Jane Jordan

Your Board

FROM your PRESIDENT by Lee Zaborowski

Jeanne and I joined CCI 6 years ago this month right after buying our Country Coach. Soon after that we registered for the 'last' Jekyll Island Rally. Within months of that date the Jekyll Rally was cancelled, Country Coach LLC went bankrupt, and there was an upheaval in the CCI leadership. What an initiation! I would have been shocked back then if someone told me I'd become CCI President.

Jack

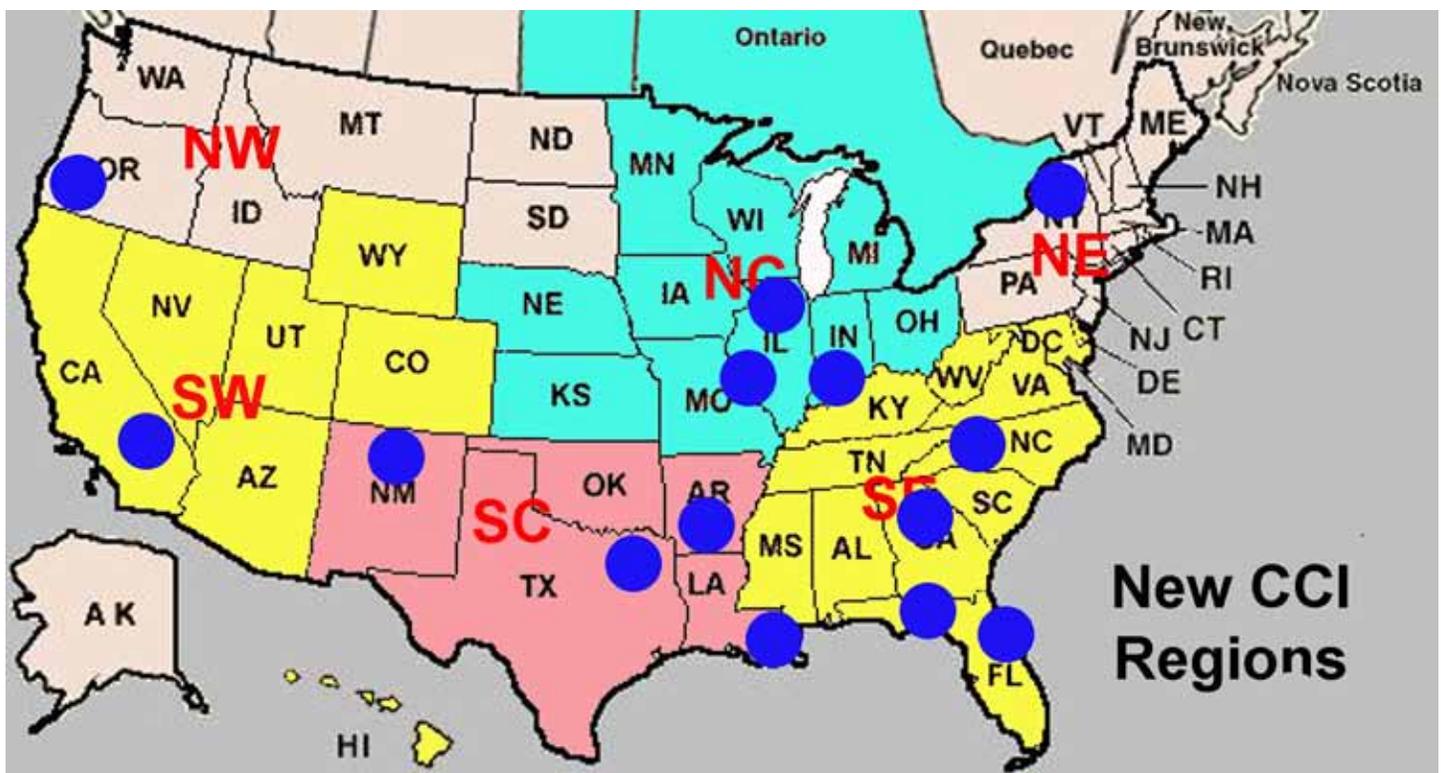

Bill

In those six years since, Jack Hoadley and Bill Brock worked hard to move the Club forward. I thank them personally for that and their successes. Though Jack is not with us, I suspect he knows how we're doing. The Beth Page, VA Rally

in 2011 got the Club mobilized again and we haven't looked back.

- The Club has held multiple, successful rallies each year since Beth Page . . . never cancelling one.
- The Board now has a full complement of Officers, who reside across the US, as the map below shows - with a dot for the location of each Board member, putting us close to over 80% of our members
- The Board is now totally voluntary, doing all the tasks and the Club totally self-supporting, going from an extension of Country Coach, with a paid office, to no paid personnel, a 180 degree turn.
- Membership has begun to stabilize around 800. FMCA says we have over 1,000 active family memberships but our Wild Apricot database says 805, split between fully current paid members and recently arrears members.
- Our new website is expanding each month. We still have a way to go but as a member, once logged-in you can get the latest news; eNews editions back through 2013; change your members

(continued on next page)

Your Board

profile; pay your dues; register for a rally; find another member & send them an email; and more.

- A CCI Board member lives in your area of the country. You can call or email them to ask a question or to get linked to other CCI resources. You've got a new CCI friend close by!

While one always learns from history and those items just mentioned show great progress, we must focus on the future.

Your new Board is getting organized. Since the election a few weeks ago we've had one get-acquainted conference call and will convene during the Southeast Country Coachers Rally in Virginia Beach. More than half the Board will be attending and we'll conference call to the rest. What will be on our mind - membership services, enhanced benefits, service provider partners, fresh Rally formats and awesome Rally locations, friendship and fun. Oh yeah . . . no increase in dues and Rallies priced about the same!

We're all sad to see Jane Jordan move on. It was a change born of necessity but turned into an opportunity for Jane to take on her own business. So, we wish her the best in her new endeavor. She supported us, we need to support her. See her product ad (same page as her resignation letter) and show your appreciation for her!

The Oregon Rally report is in as well as news from the FMCA National Rally. Check the articles with this eNews. We all can take pride in the long

history of CCI and the recognition from FMCA, as demonstrated by the certificate on the cover, which came with an award.

Finally, take note of the preliminary Rally schedule for 2015, also with this eNews.

Question or comment? Let me know.

May the wind always be at your back,

Lee

14OR Rally Report 7 Feathers Casino Canyonville, OR

by **Kathe' Letulle**

Oh My Goodness, what can be said about this rally – A LOT!!! New avenues were explored by all.

Attendees were greeted by Kathe Letulle' and Jane Jordan on Sunday August 3, 2014. A combination First Timers and Welcome Meeting was held with many questions answered. Focus was on the Poker Run being held Monday and Tuesday. Dinner of Pizza with a special dessert (Umpqua Vanilla Bean mixed with Blackberry Merlot Wine) was served. After all the tummies were filled – everyone brought something from their motorhome that they could part with. Then the fun began – the Crazy Gift Exchange.

The adventure trip to Junction City's *Country Coach Corporation* on Monday was coupled with generosity and a warm welcome from Ron Lee. The attendees were treated to a fabulous meal and tour of motorhomes at the facility. Ron Lee spoke to the group advising that manufacturing the first NEW Allure is on the assembly line. This Allure has a great number of bells and whistles in new technology – AN UP TO DATE UNIT! Everyone is very excited for the new unit to be unveiled.

Other local businesses participated in the poker run - *Advanced Satellite, RV Glass Solutions, Premier RV Service, Oregon Motorcoach Center, Saginaw Vineyards, Abacela Winery, Bob Dickman Tires, Camping World,*

Countryside Interiors, J-Crafts & CCI Club Office, Junction City Muffler, K&M Mobil RV Services, Spangler Winery, and Wildlife Safari. Thank You for to all participating businesses. It is a fact that this time of year in Oregon is a very busy time for all sponsors. CCI chose to have a poker run with attendees visiting vendors in lieu to vendors coming to our rally. This worked out wonderfully.

On Wednesday and Thursday no one was hungry with three filling meals each day – breakfast, lunch and dinner courtesy of *Oregon Motor Coach, SkyMed, and Premier MCS – Tucson, AZ.* Seminars, craft and members meeting fulfilled the daily time frames. Entertainment was the showing of the DVD – Homecoming by Adre Rieu. Comedy, Singing and beautiful Scenery was outstanding. Thursday evening held all the surprises for the ending of a successful rally. Every attendee left knowing that their Charitable contribution to Family Development Center, Roseburg, OR, will provide services to families with domestic violence and re-education to these families to strengthen their family unit avoiding domestic violence. The live auction, 50/50 ticket sales, and private donations totaled \$1,110.

A warm farewell and revisiting in the future was met with a unanimous YEAH! Every attendee made new friendships, rekindled old ones and were members of a very congenial group. Many thanks to the rally team - Tammy Toalson, Jane Jordan and Kathe Letulle' for a successful rally. Many Thanks to all attendees.

If you were not able to attend the rally you really missed a good one!

See you at a future rally.

14OR INTO Meeting Report FMCA Convention

by **Kathe' Letulle**

The FMCA International Area meeting was opened by President Al Vormittag. Focus of the meeting was the next INTO Rally to be held at the fairgrounds in Shreveport, LA, April 26-30, 2015. Rally Theme is "Make Your Next Port Shreveport, Louisiana." Rally registration forms will be forthcoming with a very reasonable rally fee. Vendor funding is the benefit to maintain a low rally fee including three nights entertainment. Look for the registration form in the Quarterly Newsletter.

FMCA Assist was discussed as a tool for promotion to gain more membership. FMCA Assist will be funded by FMCA. This program will enable members to be taken to the nearest emergency facility should the need arise.

The next FMCA convention will be in Pomona, California, March 26-29, 2015. Everyone is looking forward to another grand time on the west coast.

FMCA mail forwarding service will now be outsourced to Dakota Post in Sioux Falls, SD. Many Chapters will be changing their addresses due to this new program.

INTO fiscal year ends September 30, 2014. An Audit Committee was formed to complete the audit between October 1, 2014 and December 31, 2014. The yearly records will be mailed to three independent members of INTO with each member defining how they audited. The audit report will summarize what was audited and any suggestions for future action.

The INTO Board has checked into investment areas that have a larger return on CD's. EverBank from Florida was selected to place CD's. This insti-

tution also caters to Non-Profit organizations with interest checking and higher yield on CD's. Other Chapters are encouraged to check into EverBank if there is a greater opportunity for the chapter.

During the meeting the INTO Officers took time to present CCI a Certificate (on this eNews cover) and a \$150 award on the occasion of the Club's 30th Anniversary. Senior VP Rod Kenly and Treasurer Kathe Letulle' accepted the certificate/award from outgoing INTO President Bill Campbell and new INTO President David Kessler; and in turn presented the INTO Officers with gifts of our CCI 30th Anniversary pin.

The term for officers ended at this FMCA Convention. A big send-off was given to President Al Vormittag. The realization that he was chained to the INTO AREA for two years was shown by the presentation of chains going around his neck. A plaque for his service was presented. Al also gave each of his officers and past audit committee FMCA Aprons to show appreciation for their support.

The gavel was handed over to David Kessler incoming INTO President who spoke a few words then the meeting was adjourned.

14OR FMCA GOVERNING BOARD MEETING

by **Kathe' Letulle**

FINANCIAL

FMCA's cash position remains strong.

Investment accounts (like the broader stock market in general) are producing returns at or above benchmarks. Current investment account balance is over \$9,000,000.

Revenues are slightly under forecast, but expenses are well under budget, producing an operating profit of \$275,405 (as compared to a forecast operating profit of \$84,462).

The Executive Board is committed to maintaining a balanced budget.

MEMBERSHIP

Current membership as of May 31, 2014 is 76,397.

Still experiencing a net membership loss

Loss rate is declining.

Executive Board has contracted with Membership Corporation of America to develop a marketing plan for member recruitment and retention.

GOVERNANCE

Constitution and Bylaws Committee recommended exclusion of the Immediate Past President from requirement attendance at the Executive Board Meetings at conventions and in Cincinnati. This proposal failed.

Policy and Procedure (P&P) recommended changing the mileage allowance for motorhome travel to double the IRS rate for an automotive. This proposal passed.

P&P recommended elimination of the "least cost method" for reimbursement for FMCA official business travel. This proposal passed.

To align P&P with the national Bylaws, Chapter voting will be "one vote per adult member."

MEMBER BENEFITS

Risk Management Committee recommended adding *FMCAssist* (contracted through Seven Corners) as a standard member benefit. This proposal past.

The Governing Board voted to pay for the first year of *FMCAssist* for all members with investment account funds.

Total premium cost for the first year is expected to be approximately \$313,000 (an average of \$4/year/F#).

Premium funding for subsequent years will be determined annually at the Governing Board Meeting.

FMCA Mail Forwarding as of October 1, 2014 will be outsourced to Dakota Post, Sioux Falls, SD.

CONVENTION

Beginning in Perry, GA, earlier this year, the preferred method of communication on-site has switched from two-way radios to text messages. Texting has proved to be more reliable, and more satisfactory. Two-way radios are still available as a backup device.

- Summer 2015, Madison, WI

Future convention schedule (pending contract negotiations):

A Way To Save Money (Maybe) - BOOKBUB.COM

by Rod B. Kenly

Do you like to read? Have you finally moved into the modern age by getting an e-reader? If you don't know what that it is – well, I guess you can quit reading this article right now...!

I've always been a reader. Love to read. Since I still work, and still travel on the big silver bird cross country or even international, it wasn't uncommon for me to carry several books, and read them during a week away from home.

Don't worry, I will eventually get to the point...

But I've always liked handling the book, and didn't really think I would like one of “them new fangled electronic book reading thingies.” BUT, I am hard to buy presents for... and Sharon was trying to find something to buy me for Christmas that I would like, and not return, or worse, thank her for, and leave it on the table, and never touch again.

Well, she bought me an Amazon Kindle, and a gift card for some books that I could download.

Well, it looked okay. I downloaded 3 or 4 books, and went on travel. The first trip was okay. It wasn't quite the same as carrying paperbooks. It wasn't easy to jump back a few pages (but it can be done), to read something again, or to jump to the end and read the last few pages (now that's a lot harder), but I got used to it.

The second trip was better. By the third trip, I was hooked, and I haven't bought a paperback since.

I file the books that I finish, and I file the books that I don't finish. Today's count as I write this – I have finished ****348**** books, and have ****39**** that I just couldn't get through for whatever reason. I have ****3**** books that I'm reading at the same time, and I have ****70**** that I've purchased, ready to read.

(continued on next page)

Now – to the point of this article.

When you purchase a book from Amazon (for the Kindle) or from Barnes & Noble (for the Nook) or from Apple (for the Iphone) or from wherever, you for the “most” part, pay the list price for the book as set by the publisher. While if you still purchase paperbacks, you can go to Wal-Mart and purchase them for 25-40% off the list price, or go to a used book store and purchase them cheaper, or go to thrift store – well, you get the picture.

Do you own a Kindle or a Nook, or smartphone, or a tablet of some kind? Well here’s a great service – and it’s FREE. It’s called **BOOKBUB.com**

BookBub is a free daily email that notifies you about deep discounts on acclaimed ebooks. You choose the types you’d like to get notified about – with categories ranging from mysteries to cook-books – and they send great deals in those genres to your inbox. BookBub doesn’t actually sell books. They simply alert you by email to fantastic limited-time offers that become available on retailers like Amazon’s Kindle store, Barnes & Noble’s Nook store, Apple’s iBookstore, and others. Book publishers offer deals at these sites for promotional purposes. BookBub features ebooks ranging from top-tier publishers to critically acclaimed independent authors. Once you go to www.bookbub.com and register, you will select the genres you are interested in. There is quite a selection:

Category Preferences			
BESTSELLERS Bestsellers	ROMANCE Contemporary Romance	OTHER FICTION Historical Fiction	FANTASY, SCIENCE FICTION, HORROR Science Fiction
MYSTERIES, THRILLERS, AND ACTION Mysteries	Historical Romance	Women’s Fiction	Fantasy
Thrillers	Romantic Suspense	Religious & Inspirational	Horror
Supernatural Suspense	New Adult Romance	Literary Fiction	NONFICTION
Action and Adventure	Paranormal Romance	Teen and Young Adult	Advice and How-To
	Erotic Romance	Children’s & Middle Grade	Biographies and Memoirs
		LGBT	Cooking
		African-American Interest	General Nonfiction

I registered using my Kindle address. You will then receive an email everyday with the special of the day. It is usually 2 or 3 books that are being offered at a deep discount or FREE. Most days, I probably don’t select anything. Some of these books are by new authors, some are older books that I may not have read in years (or ever), some are by well known authors with new books. But this is a great deal. You can pick up a great deal on books, without having to pay full price again.
