Great Rally Area Free Time Outings

Visit one of Oregon's most beautiful rivers. Renowned for outstanding salmon and steelhead fishing and exhilarating whitewater challenges, the **North Umpqua River** offers an ideal setting for many recreational pursuits. The North Umpqua provides the right challenge for all types of rafters and kayakers

Crater Lake has inspired people for thousands of years. No place else on earth combines a deep, pure lake, so blue in color; sheer surrounding cliffs, almost two thousand feet high; two picturesque islands; and a violent volcanic past. It is a place of immeasurable beauty, and an outstanding outdoor laboratory and classroom. The depth of Crater Lake was first measured in 1886 with a simple sounding machine that consisted of a crank and a spool of piano wire. Those first measurements showed the lake to be 1,996 feet deep - not far off from the depth of 1,943 feet that was measured with high tech equipment in 2000! Bring your America the Beautiful (Golden Age) Pass.

The Umpqua Valley AVA is not a simple open basin, but a series of valleys and undulating hills. **The Umpqua Valley currently hosts 23 Oregon wineries**, providing a variety of microclimates and offering the best of its neighboring grape-growing regions. The single-vineyard and single-winery appellation of Oregon's Red Hill Douglas County also lies completely within the Umpqua Valley AVA's boundaries. So too does the most recently authorized Elkton, Oregon AVA.

The Umpqua River Lighthouse at Winchester Bay towers over the beach where the Umpqua River empties into the Pacific Ocean. The 65-foot lighthouse was constructed in 1890 after the first Umpqua River Lighthouse, built in 1857, next to the river mouth, collapsed in a storm. The Umpqua River Lighthouse features a two-ton First Order Fresnel lens constructed from 616 glass prisms handcrafted in France. Tours of the lighthouse are given daily from May 1 through October 30, 10 am to 4 pm by friendly docents from the Umpqua River Lighthouse Museum.

The covered-bridge-building tradition dates back to the 1850s. Out of materials that were readily available such as the Douglas Fir. House-type structures were constructed over the top of the timber trusses to protect them from the damp western Oregon climate and increase their longevity. The covered bridge blended well into the early economy of the Oregon countryside. There are six covered bridges in the Land of Umpqua. For a brochure, contact the Roseburg Area Chamber of Commerce & Visitors Center.

Your Board

FROM your PRESIDENT

by Bill Brock

It's now already March 24, 2014. Can hardly believe how time flies. At the present time Linda and I are on our way to Charleston, SC for a conference. We appreciate when we can use the coach for business travel instead of flying. There are many coaches that we have been observing going northbound. This winter was harsh all over the country and we are thankful that we were able to miss most of the snow by being in Florida. Yet, winter weather may not be done with us yet. The weatherman is predicting a nor'easter for midweek. It depends on how the storm tracks, who will receive the most precipitation. Sure does make life interesting, doesn't it?

We were fortunate enough to be able to spend the month of February in the south. Each year we try and stretch our time away from work just a tad more. The first time we spent 2 weeks away and thought that the folks back home would have a hard time without us. They did just fine. We are now up to 4 weeks and once again despite all the snow, they functioned well without us. Who knows what next year will bring! The most difficult part for Linda is being away from the grandchildren. Nowadays with Skype we can see, hear and almost feel them as we both enjoy chatting. While face-timing with our youngest son and his family they told us that they were expecting an addition to their family. They already have a 1 1/2 year old precious little girl. What excitement! Well, last week following their first ultrasound our daughter in law wrote on their Facebook page, "Roses are red, Violets are blue, the Brock family is going to be increasing by two". My goodness were we surprised! They also sent us the ultrasound picture of baby A and B. Technology is really something. Guess that household is going to be busy. We all feel overwhelmed and blessed. While in Florida we visited with many friends and had a wonderful time of respite. Work beckons and we were unable to attend the Jacksonville rally but were impressed by how many coaches were going to be in atten-

dance. CCI Rally Coordinator Kathe Letulle really knows how to coordinate a good time. Wish we could have been there to share in the fun.

As spring approaches many CCI clubs begin to gather for a spring fling. The Nor'Easters are planning to be in Normandy Farms, Mass. We enjoy catching up with each other and always eat very well. Campers are friendly people and know that anyone is invited to join any club rally that they may find is at an interesting location or if you are just in the neighborhood. CCI is your extended family. Thanks for listening to me ramble.

Safe Travels

Your Board

FROM the SECRETARY by Gerry Conway

The Jacksonville Rally is now history. Kathe Letulle out did herself again. A fun time was had by all. The food, entertainment and auction were all wonderful. This was Kathe Letulle's last rally as "Rally Master" and handed the reins over to Tammy Toalson. Kathe has become our Auctioneer for all rallies. Thank you Kathe for all your wonderful work.

The Membership meeting was held on Wednesday, March 12 at 10:30 AM. Several items of interest are: the CCI phone number will cease on April 1st, all communications will be via email or directly calling one of the board members; mail is now being forwarded to Tim Garity, PayPal fees will now be passed on to the members, however, you can still pay by check or cash; Rally registrations will be through Wild Apricot the new web service for CCI.

The Nominating Committee was approved at the meeting. Your Nominating Committee members are Gail Merrill, Vern Weldy and Paul Dark. If

you are interested in a spot on the Board please contact one of them. You can locate their email address by going to the member site on the Country Coach Website.

A special thank you went out from Kathe Letulle to the Southeast Country Coaches for all the help they gave at the Jacksonville Rally. SECC were cosponsors of the rally.

A motion was made to have a board member contact the Friends to pursue a course of action to once again bond. The motion passed with 12 no's and the majority voting yes.

The Membership Minutes will be posted on the CCI website as well as here in the eNews.

As always, please thank a service person for all they do to give us our freedom.

Gerry

2014 Jacksonville Florida Rally

RALLY REPORT

by Kathe Letulle

Sunny Florida? Well almost! All in all, the rally was well attended and a great success with the assistance of the Southeast Country Coachers. This combined rally shows that cooperation and Country Coach Club preplanning is a Win Win situation for all.

Registration topped 51 coaches of which 23 were SECC members - real sell out. All were treated to a Jacksonville History Lesson - deep into history of the Jacksonville area. Just touring Jacksonville is an adventure in itself.

Action on Sunday evening was filled with laughter - gift steal, exchange, steal and more stealing was the name of the evening mixer. Attendees were still talking about the surprise event well into the rally. All attendees were requested to donate an item for the live auction benefiting the Wounded Warrior Project. Large selections of items were donated for a very successful auction. We Beat the Branson Rally by \$5!

All attendees are interested in seminars. A large number of seminars were planned and well attended. Maintenance by Fountain RV, Roundtables, Crafts, Volunteer DO YOU's, Basket Craft, SilverLeaf Diagnostics Education, Pet Parade plus many more were held.

The attendees were treated to a Pizza Luncheon and seminar by SkyMed - the medical transportation insurance that gives each one of us peace of mind about traveling with spouse, pets and grandchildren in the event of an emergency.

Entertainment by a local band - 4sythe - was awesome. Of course there was dancing, dancing, and dancing long into the evening (about 10PM). Only the strong survived!

A "free day" was a must for this beautiful area of Florida. Besides Jacksonville, many toured St Augustine - a very historical town. The San

Sabastian Winery advertised - purchase one case of wine and receive another case free...What a deal! Heard that a few also toured the Golf Hall of Fame!

Celebration of the Clubs 30th Anniversary Year was a priority for all attendees. Each attendee was given a 30th Anniversary Pin - a keepsake plus a luncheon after the Membership Business Meeting.

The evening entertainment surprised us all. A DJ that sings, dances and most of all is personable. Charlie played requested songs and even had the OLE STRONG ATTENDEES doing karaoke. Did you see us on Facebook??? Moving to the beat! Again ONLY the Strong Survived another late 10PM night.

The meals were outstanding and the volunteers serving were a blessing. The Meals were one of the highlights of the rally because we all love to eat!

But not to be outdone by the meals - the Sheriffs - Marty Ott and Jack Conway - out did themselves collecting \$1,000 for the Wounded Warrior Project. Then onto the LIVE AUCTION with any thanks to those who bid and bid and bid and those who donated outstanding gifts. The live auction collected \$4,005. Total Collected \$5,005- \$3,848 in attendee checks and \$1,157 cash. MANY, MANY THANKS!!! CCI members are very generous with their charities.

Friday morning saying so long till we meet again was painful. But one must not be SAD because it is OVER but be glad that the event HAPPENED!!!

Again - many thanks to all that volunteered and attendees that made this rally successful.

Here is to many more joint rallies with all Country Coach Clubs.

Travel Safely and hope to see YOU at a FUTURE RALLY!!!

2014 Jacksonville Florida Rally

Country Coach Club International Membership Meeting Jacksonville, Florida, March 12, 2014

Meeting was called to order at 10:30 AM by Senior VP Lee Zaborowski.

Kathe Letulle offered a prayer for a successful meeting. George Sanders led the members in the Pledge of Allegiance.

Mr. Zaborowski announced that there were 21 states in attendance and three new members. Mr. Zaborowski welcomed everyone.

Secretary Gerry Conway asked if everybody had time to read the minutes of the Branson Membership meeting. Motion by Mary Sage and second by Bill Walters. Since there was no discussion or questions the vote was called for. Motion passed unanimously.

Treasurer George Sanders reported on the finances of the club. He stated that Jane Jordan paid \$1,000 for the trailer that is parked on her land from the old CCI days.

The last CD was cashed to help with cash flow. Balance as of 2/28/2014 in the Operating Account is \$45,155.59 and the Rally Account \$21,045.94 prior to paying for the Jacksonville Rally.

Mr. Sanders stated that we were losing members up to last year and we are now stabilized at 400-500 members. We are in the top 10 largest club in FMCA. Right now we are ending 2013 at 435 renewal members and 58 new members.

Budget for 2014 - Operating account is roughly \$45,155.59 a year. Club phone will be disconnected as of April 2014. All Board members will be listed on the Wild Apricot Website for members to call with questions or for help. Jane Jordan will now be on a contracted commission agent for the club. Jane has been a valuable asset to the club.

Right now the phone is forwarded to George Sanders and most calls are for CCC for help with their coaches. Bill Walters suggested that we look into Google Plus for free phone service.

FMCA will be notified of all the changes that are being made.

George Sanders informed the members that there is a rally enrichment program which started with this rally in Jacksonville. The stipend was stopped in 2011 or 2012 but the Board decided that the club was starting to run in the black and to give back to the members. We want to have great rallies but our members do not want to pay more for their rallies. The Board made a decision to fund, when necessary, for this year.

Wild Apricot is the platform for CCI and the cost per year is \$1,100.

Motion by Ken Veenstra second by Pam Sowers to accept the Treasurer report as written. Discussion - motion passed unanimously.

Lee Zaborowski said that Jane Jordan going from a paid employee to a commission partner came as no surprise. Jane has been and will continue to be a valuable asset.

The Board including Area VP's will be accepting calls from members when the new Board takes office July 2014.

Lee receives all emails and forwards them to the appropriate Area VP.

All the CCI mail is being forwarded from Junction City to Tim Gerrity. Tim is working on the post office to correct forwarding of our mail.

Kathe Letulle thanked everyone for attending the Jacksonville Rally. She is trying to keep expenses low but still have a wonderful rally. The CCI Birthday Party is being sponsored by CCI.

Labor cost on this rally has been greatly reduced due to the sponsorship of SECC. Kathe thanked SECC for all their help especially Charles McGarity who was a big asset.

2014 Jacksonville Florida Rally

Kathe Letulle explained the PayPal fees to the members. She explained that the PayPal fees are now part of the rally expense and cut into the operating budget for the rallies. PayPal fees are no longer refundable. If you cancel your registration and used PayPal the fee will not be refunded. It is easier to pay by check to avoid the fees. You can register on Wild Apricot and not pay at the same time but send in your check to CCI.

When you have a Rally you have to pay for the sites sometime a month or two ahead. This rally fee was paid 2 weeks ahead.

Cody Rally in 2013 had a profit of \$20.76. Branson Rally 2013 had a loss of \$413.76. This Florida Rally should have a small profit.

Kathe Letulle introduced Tammy Toalson as the new Rally Master. Kathe will not be doing any more rallies for CCI.

Oregon Rally will be \$395. Cash or check and \$415. If if you pay by PayPal.

The Branson Rally for 2014 has been canceled by the Board. A contract was signed and our loss is \$330 and \$660 that the park was giving us back from 2013. Kathe is working on getting the Diesel RV Club to take our spot.

Kathe explained that there is a Chapter Fair at FMCA for one hour and volunteers are needed. See Kathe after the meeting if you want to volunteer.

Kathe Letulle stated that at the Branson Rally we raised enough money through the auction and the sheriff along with the Texans to buy a golf cart for the Wounded Warrior Veterans. This is a special golf cart that allows the handicap to play golf without getting out of the cart. It is called a Solorider Golf Cart.

Gerry Conway announced the Nominating Committee: Gail Merrill, Paul Dark, Vern Weldy. They will be charged with filling the part of the Board for 1 year and the other part for 2 years.

Motion by Charles McGairty, seconded by Tammy Toalson - discussion held - motion passed unanimously.

The website for CCI is countrycoachclub.com

Lee Zaborowski gave a demo on the new website and how to work the site.

Charles McGairty of SECC announced that SECC is having a rally in Virginia Beach, VA, on September 11 to 15, 2014. Everyone is welcomed to attend. It will be held at the Holiday Travel Park in Virginia Beach. Telephone 800-548-0223. Stevie & Hank Giffin are the hosts and have many things planned for the rally.

A motion by Steve Wadecki to have CCI contact "CCFI Friends" to pursue a course of action once again bonding to a united CCI club. Seconded by Bill Suarez. Much discussion was held and Tammy Toalson called for the vote, discussion ended. Motion passed with 12 Nos.

George Sanders reported that he called Ron Lee of Country Coach Corporation and he was very pleased he called. He will do the same for us that he does for the "Friends."

Janet Sanders asked how we merge the SOB's into our club. SOB's are welcomed to attend rallies. The feeling is that the members would not like SOB's to be part of our Club. Pam Sowers suggested that only a Board Member contact the Friends.

Motion to adjourn by Tammy Toalson, seconded by George Sanders. Motion passed and the meeting was adjourned at 12:15 PM. DT

Respectfully submitted

Gerry Conway, Secretary
