FROM YOUR PRESIDENT

by Bill Sax

Hi CCI!

Spring is in the air! Well for most of us, some of the northerners are hanging onto winter, but it will be here for all of us soon...

Rita and I left the south and returned to Illinois for our annual Spring visit. You know, to see the kids, grandkids and doctors. But before we left the south, we attended a Southeast Country Coach rally in Columbus, Georgia and CCI's rally in Charleston, South Carolina. Both rallies were well organized with activities during the days, great food and fires at Jeff Perlman's site.

The tech talks were well attended and one of our newest members had a whole bunch of issues taken care of on her Magna by our members. I even got a hydraulic leak fixed. So, yea! But we did more than just tech talks, everyone shared their options for internet access while RVing. Had a chance to sample different brands of ebikes, including test rides. We even had a Zoom call with Tara Rape from Open Roads to explain how their diesel fuel discount program works. The rally wrapped up with an old fashion "low country boil". Everyone attending had a great time.

We Harvest Hosted our way to the Midwest and got the opportunity to drive in a typical midwestern thunderstorm. But we're here and CC just had a bath. I want to encourage everyone to pay attention to upcoming CCI rallies and try to attend one, you won't regret it!

On a side note, our newsletter editor is always searching for content. Please think about submitting an article for her to post. It can be about ANYTHING. Think about any renovations you have done to your coach, gadgets you use, trips you have taken or even a favorite recipe. If you do, we'll send you \$25 in CCI Bucks. You can use them towards dues or rally fees.

As always, I'll be CCing you!
Bill

TO WASH OR NOT TO WASH...?

SPLENDIDE WASHER/DRYER COMBO NOT DRYING YOUR CLOTHES?

If you find that your Splendide Washer/Dryer Combo isn't drying your clothes completely and you get a bunch of flashing lights instead, try this solution. I wind up doing it every two to three months.

Splendide 2100 CX Error F-13 POSSIBLE SOLUTION

1. Open the big door and add one tablet of Affresh Washer Cleaner to the tub. You will only need to use this product once toady. No clothes, set the DRY TIME to Off and set it to cycle #11.
 - a. Close the door and then press Start.
 - b. When the water stops entering the unit, push and hold the Start button until all the lights come on and then release the button.
 - c. *NOTE: If the water is not at least 1/3 up the glass repeat this step until you do see the water 1/3rd up the glass door. Then reset the machine again by holding Start button in until all the lights come on then release button. (I do this step a couple of times, having the tub filled past 1/2 way)
2. Move the cycle knob to cycle # 12, push the "Extra Rinse" button, then press the Start button once (do not hold), and walk away and let it run a complete cycle.
3. Wipe out the drum & gasket for loose lint.
4. Repeat steps 1, 2 and 3 three times (only use Afresh on first cycle).

I have seen versions of this procedure online where they use 1/2 to 1 cup of vinegar in Step 1 instead of the Affresh. I prefer the Affresh.

Amazon has Affresh Washer Cleaner, use this [link](#).

FMCA Benefits are those included with your \$50 yearly dues, FMCA Discounts are price discounts for products and services purchased through FMCA distributors.

FMCA Benefits include:

FMCA Assist, this is the best benefit that is included when you pay your yearly \$50 dues. This benefit starts when you are a minimum of 75 miles away from your home and you are ANYWHERE in the world using any form of transportation, such as Air, Cruise Liner, Taxi, or any other method. FMCA Assist is a medical evacuation when you or a member of your family with you need to be moved from a point of illness to a hospital or emergency care facility. This evacuation is paid for by Chubb Insurance, FMCA's carrier for this life saving benefit. When you are taken to an Emergency Room, this benefit also pays you \$250 cash to help with immediate expenses, and you are covered ANYWHERE in the world. Your FMCA F-number is your policy ID number. If you decide to stop RVing, then you can become an Associate Member of FMCA and pay your dues and keep this FMCA Assist benefit for all your "other transportation" method of travel greater than 75 miles away from home.

FMCA Family RVing Magazine, this informative magazine is published monthly and postal mailed or electronically emailed to your household.
