All Members Please Note!

Just a reminder that we are now using an automated system to process renewal as well as new memberships. Please take the time to visit your Country Coach Club Website at www.countrycoachclub.com and login to your account. To login, simply enter your eMail address as the user name and then enter your password. If you have forgotten your password or are new to the site, you will need a new password. Use the password reset link that you will find on the login page and you will be sent a new password.

TO EMAIL THE CLUB: See table (next page), yellow box for email address.

TO MAIL DUES, ETC: TO THE CLUB. See table (next page), yellow box for CCI mailing address. When you pay online your dues are processed immediately. Due to physical mail and handling expect it to take 20 to 30 days if you are paying by check."

TO PHONE THE CLUB: See table (next page), select the appropriate Officer and phone that person.

Please help us keep your membership up to date, by logging in and checking to ensure your membership is current and that we have all of your current contact information.

COUNTRY COACH INTERNATIONAL (CCI)

WHO ARE WE?
CCI is a non-profit organization, 501(c)(7), centered on Fun and Fellowship. The Club was founded in 1984 and is a Chapter of the Family Motorcoach Association (FMCA).

WHAT WE DO
The Purpose of the Country Coach Club is to: provide a community for all Country Coach motorcoach owners to exchange information, provide opportunities for fun and fellowship, support CCI and FMCA activities such as rallies and FMCA conventions, provide a common communication and resource link for CCI members and to help our fellow Country Coachers.

EDITORIAL POLICY
The CCI eNewsletter is published monthly, online by Country Coach International. The eNewsletter Editor is Debbie Glenn, who can be contacted by calling 325-669-6840 or online - dglenn@smabitx.com The Editor reserves the right to edit, shorten, or modify any material submitted.

Reproduction of *ON the ROAD AGAIN* in whole or in part, including photocopy, except for personal use, is prohibited without the expressed written permission of the Publisher. CCI is not responsible for any liability arising from errors, omissions, mistakes or products/service found in the eNewsletter. Readers should proceed cautiously, especially with respect to technical information.

Reports to Members

FROM your PRESIDENT
by Bill Sax

Hi, CCI!

Is it August already? The Summer has been moving by… I have officially changed my employment status to RETIRED!! I retired from the Belleville Police Department after 30 years, but Rita made me get another job. So, after 10 more years at a community college as the Deputy Director of the Police Academy I have completely retired. We are going to give this Country Coach a workout.

We plan on trying full-timing and see how we like it. We just attended the FMCA Rally in Minot and are now hanging out in North Dakota. We plan on moseying east to the Country Coach International Rally in Boston in September. Then swing by "home" for doctors' visits then we are going south for the winter in late October. I can hardly wait. No more shoveling snow & I'm pitching that window scraper.

We hope to meet more new friends & find more members for CCI. Be sure to spread the word about our club & try to come join us at a rally, you'll love it…..

We'll be CCing you on the road.

Bill Sax

History of 3R RV

Jimmie started out working for Byerly in 1981. Jimmie was frustrated in his position as service manager because he was unable to help long time customers, because sales kept the shop so busy there wasn't room or time. So in October 2005, 3R RV was conceived. We knew we did not want to sell anything, we just wanted to help folks stay in their current unit and help keep them maintained. We met with Frank Reed who was looking to semi-retire from the RV business, came to an agreement and we opened our doors December 1st, 2005. We owe our success to all of you, for spreading the word about 3R RV and the great service our technicians provide. Our Technicians are RVIA Certified. We strive to do our best, but we are not perfect and when we make a mistake, we hope you give us the chance to make it right. We can't fix what we don't know about.

We started this business because the wait time to get in was months at dealers and we are finding that we are so busy we are weeks out, a month if its major repair. This is not acceptable to us that is why we are looking to hire 1-2 more technicians or anyone with construction background. Do you know of anyone that loves helping customers, likes learning and looking for a career with benefits, if so have them call 636-583-2244 and ask for Christina Reynolds. If they have a good work ethic we can teach them the rest.

Thank you for 13 Years

COUNTRY COACH RIDE HEIGHT SPECIFICATION

BACKGROUND:
Accurate ride height settings and maintenance are critical to proper coach operation.

Industry standard definition of Ride Height is the vertical distance between the center of the wheel and the bottom of the frame rail over top of the axle.
Since this theoretical dimension is never easy to measure, other corresponding measurements are given to easily set the suspension to the position that the theoretical specification dictates.

All late model Country Coaches use a tripod arrangement of three height control valves: with one valve controlling the front suspension, and two valves on the rear drive axle.
Tag axles are not individually set, but rather are regulated to correspond to the drive axle.

Ride Heights are given per the suspension used, regardless of the coach it is installed on.

BASIC REQUIREMENTS:

- Coach tires are on a level even surface
- Tires and pressures correspond to the "Federal Tire Tag"
- Coach and load is to be in a normal operating (traveling) state.
- Leveling system is in the **"TRAVEL MODE"**
- Ignition key is "ON"
- Air system is pressurized to air governor cut out pressure and air pressure gauges show the system to be at the recommended level.

PROCEDURE:
Follow procedure *Country Coach MPGENERAL82004 Ride Height Adjustment* procedure when setting ride height.

***Registration is limited to 40 coaches, registered by date on form and/or online and payment received. Additional registrations will be placed on a waiting list for any cancellations that may occur.**

***Registrations cancelled after August 22 may not be eligible for refund due to prepaid costs for the rally. Rally reservations cancelled before Deadline will incur deductions for non-refundable items (i.e. credit card fees, prepaid fees).**

Payment options:

To use a credit card please register online at www.CountryCoachClub.com. For Checks, make payable to Country Coach International. Mail form and check to: Tammy Toalson, 8430 Kingswood Rd, Panama City, FL 32409. Questions or comments call Tammy at (850) 866-5758.

Results of the FMCA Governing Board Meeting

Report on the Minot FMCA Actions of the Governing Board Meeting
August 14, 2019

Gary Glenn and Pete Hays attended the FMCA Governing Board Meeting in Minot, ND, and the first thing to report is that it was long. A great baptism for Gary.

Although we marched through the morning's agenda before lunch time, we gained some time for the afternoon items, however, that progress did not hold through the afternoon. During the morning , over 70% of the total Governing Board members were present. A good representation of members were present as evidenced in the discussions later in the day. Out of 358 National Directors there were 273 present.

The Bylaws were amended as follows:

Proposal #1: Changed from 20 to 15 voting members to petition for a charter to create a chapter.

Proposal #2: Chapters can now combine the secretary and treasurer into a single position.

The Convention Committee report has the following locations for future meetings:

Year		Location	Status
2020	Winter	Tucson, AZ.	March 26 – 29, 2020
2020	Summer	Syracuse, NY	Pending, July 29 – Aug 21, 2020
2021	Winter	Perry, GA	Pending
2021	Summer	Gillette, WY	Pending
2022	Winter	Tucson AZ	Pending
2022	Summer	Lincoln NE or Sedalia MO	Pending
2023	Winter	Perry, GA	Pending
2023	Summer	Sedalia, MO or Lincoln NE	Pending
2024	Summer	Gillette MT	Pending
2027	Summer	Gillette MT	Pending

The Policy and Procedure Committee had 18 proposals. Some are listed below.
.
Proposal #1: Changes to have the Executive Board determine fees for FMCA products and services.

Proposal #2: Revisions to Travel Costs for Officers traveling on official business: Proposed changes to chapter visitation were rejected as it appeared the changes would prevent visits that would allow officers to determine if a chapter was in trouble and to attend Area Chapter business meetings.

Proposal #3: Requires BOD members to support expenses with legible and detailed receipts.

Proposal #4: Changed the time period for submitting proposals submitted to the Executive Board from 14 (fourteen) to 3 (three) days. This change recognizes that email has replaced USPS mail for communications

Results of the FMCA Governing Board Meeting continued

Proposal #5: Requires Area VP's to now provide FMCA with a copy of all tax filings, amendments and IRS findings within 30 days of filings and notifications of findings. This is a requirement from FMCA insurance carrier as well as the IRS.

Proposal #6: These changes are the result of campaign issues in the current campaign for National Officers but does not restrict changes to National Officers. Only personal email addresses, not an @fmca.com address, can be used. Area newsletters can list names of all candidates running for an office.

Proposal #7: This is the proposal that changed the group requesting chapter creation from 20 to 15 members. A check in the amount of $35.00 is required for the chapter's registration fee. As a note, the President admitted that other payment methods will be accepted.

Proposal #8: A change in wording from "shall" to "may" assess its members for dues. Also, to require chapter meetings to not only be in accordance with FMCA Bylaws but added to be accordance with FMCA Policies and Procedures.

Proposal #9: Commercial Council meetings are now only required at each International Convention and not required 3 times per year. Changes were also made to allow for email voting for officers.

Proposal #10: This proposal has to do with Nominating Committee interviews of prospective candidates for national office. The first part of the proposal required that a list of questions asked of a candidate be retained; this part was rejected. The second part requires the nominating committee to ask the same questions to each candidate and that they be restricted to ascertaining qualifications; this was accepted. The third part would require the nominating committee file their questions with FMCA staff; this was rejected. An ADHOC committee is being appointed to review the nominating committee procedures and brought to the next meeting.

New Amendment: Approval to change the name of the Member Handbook to Policies and Procedures.

After lunch, a presentation was made on the changes with the data system that FMCA uses. FMCA is using ProTech as the new vendor and will move away from Elon. The intention is to have a data system that will be able to communicate with all databases in the system and make reporting easier and faster. It now takes approximately 2 to 3 weeks to obtain reports from Elon. There was a vote to move the $285,000 cost from the budget to an amortized loan. There was also an accepted proposal to have this proposal not specific to ProTech, but failed. It appears that the Elon agreement wasn't properly vetted and FMCA got locked into Elon before all items of concern were addressed. There will be an overlap in payments, about three months, until Pro Tech is completely operational.

The annual dues will be increased by $25 effective September 1, 2019. In reality, Elon cannot respond this quickly so the increase will be delayed. Don't expect the dues to be reduced after a replacement for FMCAssist is found. There is 7.3 million in reserves and needs to be brought back to at least 10 million to have a one year operating expenses in reserve.

The FMCA Assist Program is in the 2020 budget and the proposed budget was approved. Protec was taken out of the budget, as it will become a loan.

Results of the FMCA Governing Board Meeting continued

A proposal to require the Executive Board to add rationale for their recommendations on accepting or rejecting proposals was approved.

A proposal to direct the Policy and Procedures Committee to limit multi-year membership payments to 3 years. With the increase in dues, this will limit future costs of longer cost associated with the current 5 year maximum. The change is particularly important with the increased cost of the FMCA Assist as those with longer term membership will not see the impact of the dues increase to help cover the Assist program.

Among the membership Services committee items is a partnership with TCS Fuel that will allow members to receive discounts on diesel fuel. Discounts will range from five cents to more than 75 cents per gallon. The program would use a prepaid card, similar to a Walmart card, to pay for fuel. Money will be added instantly to the card at the member's convenience to pay for fuel. The app will give you current prices. The test is averaging $.35 per gallon.

We finally got to national officer elections about the time the meeting should have been adjourned. The balloting results are:

President	Jon Walker
Vice President	Rett Porter
Secretary	Kathie Balogh
Treasurer	John Reynolds

Two final notes: Chris Smith's title has been changed from Executive Director to Chief Executive Officer. The first day was the workshop before the meeting was spent primarily with the Parliamentarian going over the Roberts Rules of Order and the do's and dont's of the following days Governing Board Meeting.

One more note, Gary Glenn has been asked to submit his name to be a BOD member on the Commercial Council.

The CONCEPT by Country Coach

Chassis Specifications

- Gillig chassis: 8 inch x 3 1/2 inch x 1/4 inch double flanged "U" channel with "U" channel insert huck bolted over suspensions
- GVW: 37,400
- Wheelbase: 40' = 262"
  36' = 220"
- Engine: Detroit Diesel 6V92TA DDEC - 350 H.P. w/block heater & exhaust manifold blanket
  Optional: Detroit Diesel 8V92TA DDEC - 450 H.P. w/block heater & exhaust manifold blanket
- Gillig's exclusive engine protection module (EPM)
- Transmission: Allison HT747 4 speed w/Bennett air/electric automatic shifter
- Driveline: Spicer 1710 series
- Rear axle ratio: 3:55 (3:07 with optional 8V92 TA)
- Suspension: Full air-ride. Rockwell front axle rated at 14,400 lbs w/anti-sway bar & Koni shock absorbers; Rockwell rear axle rated at 23,000 lbs w/ Neway air-ride suspension, inboard shocks & IPD anti-sway bar
- Steering: Ross fully integral, full time hydraulic power steering gear w/tilt & telescoping column
- Cruise control: DDEC
- Dual air brakes: 16 1/2" x 6" front axle
  16 1/2" x 10" rear axle
  1,075 sq. in. total brake lining surface
- Jacobs brake (engine compression braking)
- Tires: 12R 22.5 Michelin steel belted radials
- Alcoa wheels
- Batteries: Two heavy duty 8Ds
- Alternator: 160 amp
- Fuel capacity: 150 gallons (dual fuel fills; driver and passenger sides)

Construction Highlights

- Full tube steel cage structure
- Vacuum bonded walls
- All fiberglass exterior
- R19 roof insulation
- Fully insulated bays (all sides)
- Exterior Height: 12'

Driver Compartment Amenities

- Power operated driver & "buddy" chairs (swivel & recline)
- Power footrest for "buddy" seat
- Padded dash and overhead w/tinted plexiglass sunvisors
- Swing-out drink tray
- Cab air/heat
- Ducted overhead defroster system
- Lead foam soundproofing
- Windshield: wrap around w/shade band
- Air operated pantograph windshield wipers w/delay & washers
- Custom dash instrument panels & monitor systems:
  - Systems monitor w/voice synthesizer
  - Generator instrumentation (hour meter, water temp & oil pressure gauges)
  - Volt, amp & Hertz meters for shore, generator & inverter output
  - Generator engine pre-heat switch
  - Generator battery boost switch
  - Control & monitoring systems for coach functions
  - Hydronic heat and AC controls
  - Shore power polarity indicators
  - Master 12 volt disconnect switch
  - Inverter control panel
  - Leveling monitor
- Digital clock
- Intec rear view system
- 40 channel CB w/antenna
- Driver & passenger cab lights
- AM/FM auto reverse cassette stereo w/4 speakers
- Compact disc player
- Front entry door w/deadbolt
- Air slide step cover
- Privacy curtain
- 18" leather steering wheel w/tilt & telescoping column

General Conveniences

- Light or dark oak cabinetry
- Custom crafted radius cabinets w/raised panel doors
- Sound barrier fabric headliner
- Fluorescent & indirect lighting throughout
- Day/Night pleated shades in wood window box frame w/backlighting (fabric covered boxes in bedroom)
- Wall sconce light fixtures
- Remote control burglar alarm system (inside/outside protection)
- Thermostatically controlled exhaust fan w/cover
- Multi-tune musical doorbell
- 19" color TV w/remote control

- Panasonic phone (livingroom & bedroom phone jacks)
- Carpeted step stool
- Skylight, screen & cover
- L.P. detector system w/auto shut-off at tank
- Portable vacuum cleaner
- Ironing board
- End table(s) (varies w/floorplan)
- Occasional table (varies w/floorplan)
- Tinted sliding windows w/screens
- Finished interior height: 80"

Galley Amenities

- Corian counter tops w/inlay
- Corian sink cover
- Drop light ceiling
- Dometic AES refrigerator w/icemaker
- Microwave/convection oven w/power hood
- Recessed two burner gas range
- Nu-tone food center w/blender attachment
- Large kitchen sink w/single lever faucet
- Insta-hot water dispenser
- Pull-out trash receptacle
- Roll-out pantry drawers
- Large spice cabinet
- Wood parquet floor

Bath Amenities

- Full size brass and glass shower enclosure
- Polished brass hand held shower unit w/pulsator
- Electrically operated Microflush china toilet
- Large vanity sink w/polished brasstone fixtures
- Electrically operated power vent & fan
- Lighted, cedar lined wardrobe w/mirrored doors
- Clothes hamper
- Raised panel pocket doors w/full length mirrors

Wanted: Stories, Articles & News

We would like to invite our members to submit stories about their experiences in traveling in their Motorhome. This would include funny stories, travels you have made and places you have seen.

We would like articles about what you have done to your motorhome, remodels do's and don'ts or anything that would relate to working on your motorhome.

We would like news about the motorhome industry, RV Parks and insurance information.

Please submit your articles to Debbie Glenn at debbie@brightidearvledlights.com.

You could receive CCI Bucks if your article is published

CCI 2019 & 2020 Rallies

CCI is in the planning phase on many events and themes. We are currently working with other CCI Clubs as well as host sites. More information will be available in upcoming issues of the eNews.

September 22-27, 2019
"Let's Do Boston"
Normandy Farms RV Resort, Foxboro, MA

Nestled deep in the woods between Boston & Cape Cod, Normandy Farms is a luxury camping destination that has been a family tradition since 1971 and widely recognized as one of the premier resorts in the world.

April 29-May 3, 2020
Buckhorn Lake RV Resort
Kerrville, TX

Perfectly located in the Heart of the Texas Hill Country, you will find everything you would expect from a premier RV Resort. Every site features complete landscaping, full hookups, and concrete pads. All our guests will appreciate the wide paved roads and ease of access.
Conveniently situated just off of Interstate 10 at Exit 501, Buckhorn Lake Resort is the perfect place to stay while exploring all there is to see and do in the Texas Hill Country. We're just a short drive to many charming towns including Fredericksburg, Bandera, Boerne, and Luckenbach and only one hour from San Antonio.

June 21-26, 2020
Santa Fe Skies RV Park
Santa Fe, NM

Nestled on the Western Slopes of the Sangre de Cristo Mountains looking out upon the vast Rio Grande Valley, the City of Santa Fe has stood for nearly four hundred years underneath beautiful blue New Mexico skies. Santa Fe Skies RV park is located just south of Santa Fe city rested on the top of a hill. Visitors can enjoy the wonders of the nation's oldest capital city and take in the spectacular beauty of the region. Enjoy our beautiful panoramic view of the total Santa Fe area with unobstructed sunrise and sunset views from the Turquoise Trail!

We are always looking for rally locations. If you have any ideas or would be interested in assisting in hosting a rally, please contact: Tammy Toalson at VPRallyCoordinator@countrycoachclub.com
