TO MAIL DUES, ETC: TO THE CLUB. See table (next page), yellow box for CCI mailing address. When you pay on line your dues are processed immediately. Due to physical mail and handling expect it to take 20 to 30 days if you are paying by check."

TO PHONE THE CLUB: See table (next page), select the appropriate Officer and phone that person. Please help us keep your membership up to date, by logging in and checking to ensure your membership is current and that we have all of your current contact information.

COUNTRY COACH INTERNATIONAL (CCI)

WHO ARE WE?

CCI is a non-profit organization, 501(c)(7), centered on Fun and Fellowship. The Club was founded in 1984 and is a Chapter of the Family Motorcoach Association (FMCA).

WHAT WE DO

The Purpose of the Country Coach Club is to: provide a community for all Country Coach motorcoach owners to exchange information, provide opportunities for fun and fellowship, support CCI and FMCA activities such as rallies and FMCA conventions, provide a common communication and resource link for CCI members and to help our fellow Country Coachers.

EDITORIAL POLICY

The CCI eNewsletter is published monthly, online by Country Coach International. The eNewsletter Editor is Debbie Glenn, who can be contacted by calling 325-669-6840 or online - dglenn@smabitx.com The Editor reserves the right to edit, shorten, or modify any material submitted.

Reproduction of *ON the ROAD AGAIN* in whole or in part, including photocopy, except for personal use, is prohibited without the expressed written permission of the Publisher. CCI is not responsible for any liability arising from errors, omissions, mistakes or products/service found in the eNewsletter. Readers should proceed cautiously, especially with respect to technical information.

Reports to Members

FROM your PRESIDENT by Mike Sowers

Hello Everyone;

As I write this our joint Dandridge Tennessee Rally, in partnership with the SouthEast Country Coachers, is well underway with 33 coaches attending! What a super turnout and a fun line up of site seeing, fun, and fellowship!

A big Thank You to everyone who planned this great rally! Looking ahead, don't forget about our last rally of 2018, our St. Augustine FL Rally in December. We still have room for coaches at this rally and it would be a great stop if you're heading south anyway!

I've mentioned previously that we always have a need for additional volunteers to assist your all-volunteer board with the many tasks in keeping Country Coach International in "great running order".

Every two years we hold elections for one half of our board. Our election process is underway for board members and you'll be hearing more about this in the upcoming weeks. If you are interested in serving on the board or volunteering as a committee member, please let us know. Many hands make light work!

Our Annual General Meeting will be held in St. Augustine, FL at our December Rally, so again, please seriously consider attending this final rally of 2018.

Your board, particularly your Rally Coordinator - Tammy and Team have already been hard at work planning Rallies and Rally dates for 2019 and even into 2020. Look for a list of upcoming rallies elsewhere in this newsletter and pencil these dates in for 2019 and 2020.

Wishing each of you an awesome Fall Season and safe and fun-filled travels!

Sincerely;
Mike

Backyard Barbecue Beans from Bush Beans

WHY THIS RECIPE WORKS For a special side dish that serves a crowd, you can't go wrong with barbecue beans. Instead of dealing with the fuss of soaking and simmering dried beans, we cut some corners by opting for a combination of canned baked beans, pinto beans, and cannellini beans. To enliven this trio, we combined supermarket barbecue sauce, spicy brown mustard, cider vinegar, liquid smoke, garlic, and cayenne pepper. To bump up the flavor even more, we turned to Ro-Tel Original Diced Tomatoes & Green Chilies, which also added welcome heat. A hefty amount of bratwurst stirred into the beans and slices of bacon scattered over top gave us just the meaty flavor the dish needed to be complete.

INGREDIENTS

½ cup barbecue sauce
½ cup ketchup
½ cup water
2 tablespoons spicy brown mustard
2 tablespoons cider vinegar
1 teaspoon liquid smoke
1 teaspoon granulated garlic
¼ teaspoon cayenne pepper
1 ¼ pounds bratwurst, casings removed
2 onions, chopped
2 (28-ounce) cans baked beans
2 (15-ounce) cans pinto beans, drained
2 (15-ounce) cans cannellini beans, drained
1 (10-ounce) can Ro-tel Original Diced Tomatoes & Green Chilies, drained
6 slices thick-cut bacon, cut into 1-inch pieces

INSTRUCTIONS SERVES 12 TO 16

Be sure to use a 13 by 9-inch metal baking pan; the volume of the beans is too great for a 13 by 9-inch ceramic baking dish, and it will overflow. We found that Bush's Original Recipe Baked Beans are the most consistent product for this recipe. Our favorite supermarket barbecue sauce is Bull's-Eye Original Barbecue Sauce.

1. Adjust oven rack to middle position and heat oven to 350 degrees. Whisk barbecue sauce, ketchup, water, mustard, vinegar, liquid smoke, granulated garlic, and cayenne together in large bowl; set aside.
 2. Cook bratwurst in 12-inch nonstick skillet over mediumhigh heat, breaking up into small pieces with spoon, until fat begins to render, about 5 minutes. Stir in onions and cook until sausage and onions are well browned, about 15 minutes.
 3. Transfer bratwurst mixture to bowl with sauce. Stir in baked beans, pinto beans, cannellini beans, and tomatoes. Transfer bean mixture to 13 by 9-inch baking pan and place pan on rimmed baking sheet. Arrange bacon pieces in single layer over top of beans.
 4. Bake until beans are bubbling and bacon is rendered, about 1½ hours. Let cool for 15 minutes. Serve.
- TO MAKE AHEAD: At end of step 3, beans can be wrapped in plastic and refrigerated for up to 24 hours. Proceed with recipe from step 4, increasing baking time to 1¾ hours

We tried several varieties of baked beans and found that firm, creamy Bush's Original Recipe Baked Beans held their shape best in this recipe. Plus, their meaty flavor is ideal for doctoring.

Christmas Time in St. Augustine Rally

December 9-14: St. Augustine, Florida

We are getting ready for the "Christmas Time in St. Augustine Rally". We have lots of activities planned for this event which include:

Nights of Lights Tour by Trolley
Old Flager College Hotel Tour
Lightner Museum
Castillo de San Marcos
Chocolate Factory Tour
Old Town Shopping Outlet

We have a total of 35 sites but **only have 20 sites left!** Registration on Page 9!

Non-Member Price - \$210.00

History of 3R RV

Jimmie started out working for Byerly in 1981, left for a year and a half and moved back to care for his father and went back to work for Byerly. Jimmie was frustrated in his position as service manager, he was unable to help long time customers, because the sales kept the shop so busy there wasn't room or time. So in October 2005, 3R RV was conceived from family room of our home in Eureka. We knew we did not want to sell anything, we just wanted to help folks stay in there current unit and help keep them maintained. We met with Frank Reed who was looking to semi-retire from the RV business, came to an agreement and we opened our doors December 1st, 2005.

We survived the 2007-2010 turn in the economy with the help of our employees and the support of family and all of our wonderful customers. We owe our success to all of you, for spreading the word about 3R RV and the great service our technicians provide. Our Technicians are RVIA Certified and we have 2 in training that should be certified in 2 years. We strive to do our best, but we are not perfect and we may make mistakes, we just hope you give us the chance to make it right. We can't fix what we don't know about.

We started this business because the wait time to get in was months at dealers and we are finding that we are so busy we are weeks out, a month if its a major repair. This is not acceptable to us that is why we are looking to hire 1-2 more technicians or anyone with construction background. Do you know of anyone that loves helping customers, likes learning and looking for a career with benefits, if so have them call 636-583-2244 and ask for Christina Reynolds. If they have a good work ethic we can teach them the rest.

We look forward to continued success with all our current customers and look forward to making a few new customers happy campers. We wish you Safe Travels and Many Memories!

TECHNICAL ARTICLE

PREPARING YOUR COACH FOR WINTER STORAGE

Compiled from the Country Coach Tech Topics site by Mike Cebula

Preparing Your Country Coach for Winter Storage by Jim Cooley (Customer Services Manager)

Heading south to a warmer climate for the winter? What a great way to winterize your coach. Good for you! For the rest of us, as the summer weather recedes we turn to the issue of coach storage and winter prep procedures. Many of the things I will mention in the upcoming list are common sense items, but a little reminder always helps.

Exterior

1. Fill the diesel fuel tank to prevent condensation. Unlike gasoline, diesel fuel will begin to gel at 10 degrees F. Severe gelling can clog your fuel filter. Additives are available, that when combined with your fuel supply, prevent this problem.
2. Service the coach chassis.
3. Wash the exterior of the unit and check all roof seals for deterioration. Reseal as needed.
4. Lock all exterior compartments (if in unsecured location).
5. Store in a covered dry place if possible. If not, try to find a flat solid location without a lot of potential for tree debris accumulation.

Interior

1. Remove all perishable items from the refrigerator. Check all vents and windows to ensure they are closed and locked.
2. If 110volt AC power is available, it is advisable to use a stand-alone space heater inside, to ensure a small amount of heat inside the coach. If no 110volt AC power is available, you might consider running the coach heating system at its lowest possible setting. Just remember to keep the battery charged, as running the heating system will require more frequent recharge cycles.

Plumbing

1. Disconnect 110volt power to the hot water heater by shutting off the breaker in the 110volt breaker panel.
2. Pull the plastic plug on the outside of the water heater unit and open the pressure relief valve.
3. Drain and rinse black and gray water holding tanks.
4. Drain the fresh water tank by opening the low point drain valves. Open all faucets to allow the lines to drain. Attach the air blow out plug supplied with the coach to the city water inlet port and blow the remaining water out of the system with pressurized air.

TECHNICAL ARTICLE

PREPARING YOUR COACH FOR WINTER STORAGE

5. Cycle the fresh water pump for a few seconds to clear the pump mechanism of any remaining water.
6. Manually cycle the ice maker with system pressurized following instructions on inside of icemaker's cover.
7. Follow the washer/dryer manufacturer's instructions for winterizing. (See Service Bulletin at right).
8. Remove the water filter and drain the bowl. This is a good time to throw the old filter away and replace with new in the spring.
9. Dump 1 cup of potable antifreeze down each of the p-traps (i.e. sinks, shower).
10. Do a final drain on the black and gray water holding tanks.

Batteries

1. Turn off the chassis and house battery disconnect switches, the LP gas detector and LP shut off valve on the main tank, if so equipped.
2. To ensure your chassis or house batteries do not freeze, keep water at proper level with liquid batteries and fully charged as much as possible. This is possible by connecting to shore power, or use your onboard generator, or thirdly, a stand-alone external charger. This charging process should start when your batteries drop to the 12:00 volt DC level.

Engine Coolant

1. Diesel engine manufacturers recommend the coolant be maintained at a 50/50 mixture of low silicate antifreeze and water. This provides freeze protection down to -34 degrees F. Check with your engine manufacturer if you intend to store your motorcoach at temperatures below -34 degrees F. (Caution: Straight antifreeze should never be used as cooling and freeze protection requires water to be mixed with the antifreeze for proper circulation.)
2. Your engine coolant additives should be checked annually by your engine manufacturer's dealer service network. They will assess the additive level and contamination levels of your coolant. This is easily done by taking a sample of coolant from your cooling system surge tank.
3. The guidelines above should also be used to assess the cooling system for your on-board generator. You may be using your generator during cold weather for battery charging purposes, and proper servicing is a must.

Hoses and Belts

1. Engine hoses and belts should be assessed annually, and now is a good time. Any sign of cracking or fraying is a sign to replace them. Some models of Country Coach motorhomes have more than one belt driven accessory. Some of these drive belts, if broken, will disable the engine

TECHNICAL ARTICLE

PREPARING YOUR COACH FOR WINTER STORAGE

(i.e. water pump or the alternator).

Engine Oil and Filter

1. The 15W40 multi-viscosity oil recommended by diesel engine manufacturers for all but most severe weather is a year-round oil. Periodic checks to assess possible contamination from the combustion process and condensation should be done, as well as filter changes.
2. However, periodic engine idling with no load and not up to operating temperature is far more damaging to the engine than leaving it alone until you take your coach out of storage.

Windshield Washer

1. Fill the reservoirs with a winter premix solution (20/10 or equivalent).
2. To prevent freezing in the windshield washer system, run your wipers long enough to purge non-winter solution from the wiper hoses.

With these precautions taken, sit back and enjoy the winter.

CCI 2018 - 2019 Rallies

Here is the Remaining 2018 SCHEDULE. Check back for more Previews of 2019, we anticipate multiple Rallies in 2019.

CCI is in the planning phase on many events and themes. We are currently working with other CCI Clubs as well as host sites. More information will be available in upcoming issues of the eNews.

**December 9-14, 2018
St. Augustine, FL
Compass RV Resort**

Christmas time in St Augustine

Tentative plans include *Nights of Lights Tour* by trolley; *Castillo de San Marcos*; *Ripley's Believe It or Not! Lightner Museum*; *Flagler College*; *Old Town Shopping Outlet*. Possible restaurant outings at *Columbia* (in Old Town) and/or *Clark's Fish Camp*.

**March 24-29, 2019
Tucson, AZ
KOA**

We are working on plans for this event so let us know if you have any ideas! Some of the fun things to do in Tucson include: *Old Tucson*, *Pima Air & Space Museum*, *Tucson Botanical Garden*, *Sonora Desert Museum*

**June 21 - 26, 2019
Door County, WI**

Money Magazine calls Door County "[One of the Top Ten Vacation Destinations in North America](#)." Tentative plans for "Wisconsin's thumb" include: *Peninsula Player Theatre* - America's Oldest Professional Resident Summer Theatre; *Lambeau Field* (home of the Green Bay Packers) Stadium Tour; *Fish Boil Dinner* at the White Gull Inn; *Tours of Door County* - Art Fairs, Crafts, Festivals; & much more.
