COUNTRY COACH INTERNATIONAL (CCI)

WHO ARE WE?
CCI is a non-profit organization, 501(c)(7), centered on Fun and Fellowship. The Club was founded in 1984 and is a Chapter of the Family Motorcoach Association (FMCA).

WHAT WE DO
The Purpose of the Country Coach Club is to: provide a community for all Country Coach motorcoach owners to exchange information, provide opportunities for fun and fellowship, support CCI and FMCA activities such as rallies and FMCA conventions, provide a common communication and resource link for CCI members and to help our fellow Country Coachers.

EDITORIAL POLICY

CCI 2017 Rallies

Here is the 2017 SCHEDULE.
CCI is in the early planning phase on next year's schedule, Rally locations, and event themes. We are currently working with SECC & the Nor'Easters as well as all three host sites. More information will be available in upcoming issues of the eNews.

February 19-24, 2017
Tampa, Florida
LazyDays Tampa
Technical Issues & Tech Seminars

CCI Snowbirds and Members from all over the East will gather. As a beloved Florida RV park, *Lazydays RV Resort* will be our motorhome paradise. The facility has just what you need to feel right at home. You'll find incredible amenities to relax and unwind, or enjoy fun activities that your Club is developing. In addition, you'll find exceptional pet-friendly accommodations - your pet is welcome to go everywhere you go, except the onsite restaurants.

July 6-11, 2017
Columbus, Indiana
"Vendors Galore"

Planning has begun with the Newmar International FMCA Chapter for a joint Rally. We also expect vendors and tech talks.

End of September, 2017
Williamsburg, Virginia
"We Salute the Military Services"

Join CCI, SECC & the Nor'Easters for a unique pair of Rallies. SECC is pleased to offer a mini Rally in Virginia Beach September 22-26. This is a "Pre Action Calibration*" rally before the combined CCI, SECC and Nor'Easters Rally in Williamsburg, VA. The highlight of the joint event will be attending the Air Museum where they restore and fly all their antique airplanes. It is also the week-end when an antique car show is held in a Fair-like setting. "Vintage Cars and Vintage Airplanes" How good does it get?

Immediately following the Pre-Calibration Rally in Virginia Beach is the combined rally in the Historic Triangle of Virginia beginning September 26 and ending October 3. We are planning tours to Williamsburg, Yorktown, Yorktown Battlefield, and Jamestown. There will be time for everyone to have a chance to do and visit many other attractions the area has to offer.

* Pre Action Calibration is a Navy (and NATO) term for warming up your guns before firing for real. In NATO terms it also means a pre-reception social for commanding officers.

2017 February 19-24: Tampa Bay - Friends & Fun in the Sun

Your Board

FROM your PAST-PRESIDENT

by Lee Zaborowski

NEW BOARD:

This is my last column as President of CCI. The last few years have been fulfilling work; as the Club has come a long and positive way since the closure of Country Coach Corporation and the lingering negative effects of the economic downturn. Our membership is now stable and growing, finances are strong, we're having terrific Rallies, and providing new benefits! All Board Members have pitched in and done a great job, and you members have responded in a positive way. Thank You! As a broader benchmark, CCI remains one of the largest FMCA clubs, standing 4th! The future looks intriguing as Winnebago is now the now owner of Country Coach. That future sure looks interesting. We shall see.

As for the election, see Page 3 for the new Board.

KENTUCKY HORSE PARK RALLY:

What a great Rally it was! Jeanne and I returned home a couple of days ago and many other attendees are also on the road to dozens of destinations as well. I hope you like the CCI Wind Feather, shown on the eNews Cover. You should also look at all the Rally posts and pictures in our Country Coach International FaceBook Page. Evidence shows that the FaceBook Page has become the CCI communication vehicle of choice rather than the CCI Yahoo Group Forum (kinda gathering cobwebs these days).

We're sharing some of the venues and fun from the Horse Park Rally in the following pages of pictures . . . enjoy!

2017 RALLIES:

Page 4 has the Rally Schedule for 2017, including a few details and a Registration Form for the February, 2017 Tampa Bay Rally on Page 5. More details on the way.

We have three distinctive themes for the 2017 rallies:

Country Coach Technical Issues & Tech Seminars;

RV Vendors and Goodies Galore;

Our U.S. Military, Past and Present.

I was proud to serve you as Club President and I'm confident Mike Sowers and the rest of the new Board will do an outstanding job.

Be safe . . .

Lee

Your Board

FROM your PRESIDENT
by Mike Sowers

Hello Everyone;

It's a privilege to serve you as your new CCI President. I have some big shoes to fill as Lee Zaborowski has done a fine job and with the help of the rest of the Board, and other CCI members, has continued to ensure that your club remains in good standing. Our financial picture is great, our membership is stable and new members continue to join CCI. We just left Lexington, Kentucky where we had nearly 60 coaches attend an excellent joint Rally hosted by the Country Coach SouthEaster's and CCI. I left that Rally once again realizing that we have a superb group of members who simply love the CC lifestyle and remain committed to ensuring that our coaches and the Club remain healthy for the long term. With all signs of Club health "up and to the right", my goal is to build on the great work that's been done thus far and continue to enhance our member experiences in both enjoying the club benefits and CCI Rally's.

If you have ideas, please let me know so that we can consider them in our 2017 project plans.

Sincerely;
Mike Sowers, CCI President

Winnebago Begins Production In Oregon

Winnebago Industries Inc. has begun manufacturing diesel motorhomes at the former Country Coach Inc. complex in Junction City, Oregon. However, full-scale production is not expected until all facility modifications are made and testing is complete in the second half of 2017, the plant's manager told **RVBusiness.com**.

Winnebago acquired the 270,000 square-foot plant and its equipment in December 2015, along with a veteran workforce. Plans call for the plant to manufacture Type A diesel motorhomes, which will free up space at Winnebago's Forest City, Iowa, complex to expand production of Type A gas and Type C motorhomes.

Winnebago's Grand Tour was the first motorhome to roll down the Oregon plant's line. Initially, the plant also will produce Winnebago Tour, Forza, and Journey diesel-powered motorhomes. In time, Country Coach motorhomes might be made there, said John Millis, the plant's general manager. He said the facility is being designed to handle 1,000 units a year, with production levels dependent on market demand.

FMCA International Area News
by David Kessler, President

The International Area recently held it's annual business meeting. We had plenty of national directors for a quorum. We got our business done and our budget passed. FMCA is in good shape. We are staying within budget and at this time we have 71,223 members. The call center in Cincinnati is coming on strong. They are reaching out to each new member three times throughout their first year with FMCA, as well as making some calls to past-due members. Membership Corporation of America has helped FMCA's marketing efforts by revising our new member kits, encouraging members to renew, and working on new member acquisition. We met with their owner in West Springfield and shared ideas. At our business meeting, Brett Wolfe discussed the FMCA Forum. It is growing very quickly. Everyone should take a look at how it works. The Governing Board voted on the budget and it passed. They also passed a $10.00 increase in dues. A motion was made to change the FMCA Articles of Incorporation. This will require a ballot vote by the membership. Please go to pages 84 and 85 of the October issue of ***FMC*** magazine to get the details and vote on this very important change. The INTO Area is doing fine. We had a great rally in Tallahassee.

CCI/SECC KENTUCKY HORSE PARK RALLY REPORT

By Janet Sanders & Lee Zaborowski. Photos by Janet, Lee & Jeanne Zaborowski, Skip Saunders.

Our CCI fall rally started early this year with a pre-rally hosted by **SECC, the SE Country Coachers.**

Country Coaches gathered at the new Anchor Down RV Resort near the tiny historic town of Dandridge, TN. It's just west of busy Sevierville, TN, but offers a quiet, relaxing alternative. Southeast Country Coachers Rally Coordinator Charles McGairty had highly recommended this resort and we were glad for his advice. Most of us were in the upper section with the spectacular views across the French Broad River to Smoky Mountain National Park. We enjoyed nice wide sites and large stone fireplaces at each spot. We marveled at the bald eagles and golden eagles soaring right above us.

The BEST part of every one of our rallies is the time the men get to compare their engines.

Eighteen **Nor'Easters** caravanned all the way down to join up before heading back up to Lexington. It was hard to leave such a peaceful place.

The Kentucky Horse Park Rally was a joint SECC rally with CCI, with over 50 coaches attending. SECC members **Velma & Hollis Williams'** permanent home is in Lexington. Velma headed up the organizing of this amazing CCI/SECC effort. Velma was really enjoying herself. She retired this year . . . once again . . . and says some of these places she had never visited even though she lived in the area for 25 years. Velma kept us busy with great tours.

We spent a beautiful warm fall afternoon at **Equus Run Vineyards**, enjoyed lunch provided by CCI, local arts & crafts, and good local bluegrass music.

Historic **Keeneland Race Track** was a treat to tour during an off day when horses were being exercised on the track right next to us. Lee snapped this picture of a horse being worked out four legs off the ground.

Next we visited **Darby Dan Breeding Farm**. Both Keeneland and Darby Dan were major venues for the recent movie ***Seabiscut***.

The breeding farm visit was fascinating. This is a serious business! The stallion Shackelford was brought out for us to see fairly close. Stallions are very hard to handle and Shackelford was constantly trying to bite his long-time handler. Shackelford commands a $20,000 stud fee and he must

perform 3-5 times a day, almost every day of the year. However, they are only paid once each foal is born strong and healthy. That is only around 60% of the births.

Our bus tour included downtown Lexington and a drive along country roads with Lexington's iconic stone fences. We arrived in time for lunch at **Buffalo Trace Bourbon Distillery**, the oldest one in the country started back in the 1700s. We toured the distillery and finished up with a visit to their tasting room. Yum. It was a good thing we came in 3 buses as there were whole cases of bourbon and their new Bourbon Cream that came home with the members.

BELOW: In the cool depths of the distillery warehouse are the oldest barrels, stored for decades.

The highlight of this rally was the nearby **Toyota manufacturing plant that** produces 2,000 cars a day. It is their largest at over 1,300 acres, the size of 156 football fields. We were glad we were driven around in a tram.

We were not allowed to take any photos. Could not even take a cell phone into the plant. It was incredibly enormous and busy with conveyer systems all around and overhead. They aren't just an assembly plant like most car plants are now. They are integrated manufacturing so even do their own stamping.

Other activities included the **annual CCI Business Meeting**, an optional tour of **Shaker Village**, and numerous meals together. Our charity auction and 50:50 raffle raised funds for the Kentucky Horse Park Foundation.

CONGRATULATIONS

And finally we recognized the changing of the CCI leadership with a toast to **Incoming President Mike Sowers** (Left) and **Outgoing President Lee Zaborowski**.

Any SECC rally would not be complete without dancing with Chris Rogers. The last evening, we had some light bluegrass entertainment and Chris could not help himself. He was right up on the dance floor motioning members to join him. Last time we saw Chris his legs were giving him a bad time, but his new braces are making a big difference. It was such a nice end to our rally.

THANK YOU to Velma and to Tammy Toalson, CCI Rally Coordinator, for another wonderful rally!

See y'all at our next rally:
